PETITION

TO THE PRESIDENT AND MEMBERS OF THE STATES OF JERSEY

Name of person(s) or body responsible for this petition – The Jersey Democratic Alliance

These are the reasons for this petition – When the States voted to withdraw funding for free school milk in the Business Plan 2011 they did so in the face of good evidence for the medical, dietary, educational and economic benefits of regular milk drinking for young children.

We, the undersigned, petition the States of Jersey as follows –

To restore the provision of free school milk in Jersey nursery and primary schools in September 2011 for the start of the School Year
