The Jersey Democratic Alliance

These are the reasons for this petition – (*or* The background to this petition is as follows –)

In response to the worldwide recession, the Council of Ministers has taken a number of actions and proposes more in 2012 which in combination, in the opinion of the petitioners, unfairly penalise ordinary working people and their families, especially those on low to middle and fixed incomes. These actions, include:

- Severe cuts to front-line public services, such as health, education & policing
- Mass redundancies imposed on the public sector
- The threat of a 2-year wage freeze and major reductions in employee terms & conditions
- The proposed rise in GST to 5%
- The refusal of the Treasury Minister to use the Strategic Reserve to mitigate the impact of the recession

We, the undersigned, petition the States of Jersey as follows –

To request the Chief Minister to bring a proposition asking the States to dismiss the Minister for Treasury and Resources
